## TECHNICAL PROFILE

JavaScript | PHP | HTML | CSS | SCSS | React | Node | Bootstrap | Windows | Linux | MySQL | GitHub | VS Code | C++ | python

## Summary

Motivated and dynamic web developer with a strong focus and expertise in web application development and web layout design. Completing tasks within the given time frame, hard work, responsibility, and speed with quality is my primary goal. Strong work ethic and always able to adapt to changing and challenging environments. A developer mindset focuses on thinking about how to solve problems. It is a profession that I learned and work with internal motivation, so I travel with the times by gathering new knowledge.
